GB

Obed. for Working Class Beginners
(SE Appellklass)

GB, IT

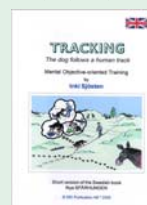

These booklets and video give knowledge about how to train a dog in a positive way for competition. The words of command and the exercises are carefully described and illustrated.

Level 4.
Booklets for nose work

The Dog searches objects
describes how learning and training of searching objects can be done in a positive and effective way.

GB, IT, ES, PL

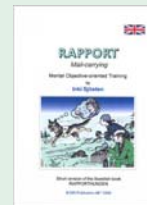

Tracking
- the dog follows a human track. The booklet describes and illustrates how to start the learning with a puppy and how to continue the training also for competition to higher levels.

GB, IT

Searching man
describes how learning and training of searching persons can be done in a positive and effective way.

RAPPORT-Mail-carrying
for activation or competition of working. The dog runs with a message in the collar between two handlers fast and silently.

GB, IT
