Also the booklets **Szukanie przedmiotów** and **Tropienie** are used. For knowledge of mentality we study the two **DMA-videos**.

[www.psiawachta.pl](http://www.psiawachta.pl)

**Mental test**

### Level 3.

Booklets for obedience for competition

3 x 2 week-ends of each with Inki Sjösten + own work between the meetings.

**Klasa 0**  
(Polish rules)  
[www.psiawachta.pl](http://www.psiawachta.pl)

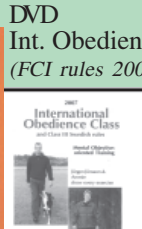

**Class 1**  
(Italian rules)

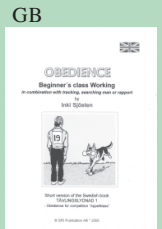

**Obedience Lower Cl. 2007**

**Obedience Training posluszenstwa**  
(FCI rules)

**DVD**  
Int. Obedience Cl.  
(FCI rules 2007)

**Obed. for Working Class Beginners**  
(Rules: Swedish Appellklass)

These booklets and video give knowledge about how to train a dog in a positive way for competition. The words of command and the exercises are carefully described and illustrated.

### Level 4.

Booklets for Working

After agreement, seminars with Inki Sjösten

#### Szukanie przedmiotów

The booklet describes how learning and training of searching objects can be done in a positive and effective way.

#### Searching man

The booklet describes how learning and training of searching persons can be done in a positive and effective way.

#### Tracking

- the dog follows a human track. The booklet describes and illustrates how to start the learning with a puppy and how to continue the training also for competition to higher levels.

#### RAPPORT-Mail-carrying

A booklet for activation or competition of working. The dog runs with a message in the collar between two handlers fast and silently.
